## "Jewels 2023"

The primary objectives of the "Jewels 2023" project are to promote the Sri Lankan gem and jewellery trade and to expand the local trade into the international market, thereby increasing foreign income for the country. In line with this year's theme of "Traditional Jewellery", special attention will be dedicated to showcasing Sri Lankan traditional jewellery and their re-creations, which will be launched during the exhibition.

### Concurrent Events

#### GASL Gemmological Research Symposium-2023

02<sup>nd</sup> December 2023 at OPA Premises

The Symposium, presents a platform for academics, postgraduate students, and researchers from government and private organizations to showcase their research findings across diverse multidisciplinary fields.

#### Jewels Talk 15th December at Taj Samudra Hotel

An exclusive lecture series featuring distinguished local and international gemmologists to enlighten the participants on the industry's latest advancements and have a live discussion regarding the trends.
