## Sri Lanka Export Development Board

Sri Lanka Export Development Board (EDB) is the country's apex state organisation mandated to develop and promote exports from Sri Lanka. Thereby playing a key role in achieving the national development objectives of the country. EDB has evolved to be a dynamic and focused entity that is proactive in outlook. The organisation is constantly on the lookout for new and innovative approaches to cater to the ever changing needs of the international market.

Dedicated to the task of promoting exports for the benefit of exporters and buyers, EDB performs its key functions in five identified roles as a policy advisor, monitor, promoter, facilitator and knowledge provider.
