*Remarks:

- Kahatagaha Graphite Lanka Limited is able to produce any type of product mentioned in the above table within the quantity limit of 1000 MT. Therefore, the bidders could submit bids for purchasing of any Graphite product upon their requirement subject to number of products on sale and available quantity of 1000 MT.
- Total supplyable graphite quantity is 1000 MT. Therefore, quantity segregation will be considered from high priced product to low priced product at the evaluation of the tender. However, the Final decision on the sale will be taken by the Ministry Tender Committee.
- The order quantity is customized and it is 20MT in minimum for each and every graphite product. No award is permitted more than the tonnage on the bid offered by the bidder and Bid Security kept originally.
- Bid Security per tonnage of each and every Graphite Product is mentioned in the above table. The Bid Security should be calculated in accordance with the required quantity by the buyer.
- Maximum capacity of powder plant and chip plant are 100 tons and 300 tons per month respectively. Hence supplying time period will be varied according to the product and the quantity. For further information on the above remarks, please contact Processing Executive, Kahatagaha Graphite Lanka Limited on email: infokglbid@gmail.com Phone: +9470666850 / +94742024751
