Dear Sir/ Madam

Proposals to Supply 2,250,000 MT +/-10% Quantity of Coal for the Period 2022-2024 for Lakvijaya Coal Fired Power Plant in Puttalam, Sri Lanka

Greetings from Lanka Coal Company (Pvt) Ltd

Please be informed that the Ministry of Power and Energy wishes to receive proposals on credit for the supply of 2.25 million +/-10% coal. Accordingly, the following notice has been published in newspapers and on the LCC website in order to receive more competitive unsolicited or G to G proposals with credit facilities.

“Ministry of Power and Energy, Democratic Socialist Republic of Sri Lanka wishes to receive proposals from prospective coal suppliers for supply of coal for the 900MW Lakvijaya Coal Fired Power Plant Norochcholai, in Sri Lanka as per the directive of the Cabinet of Ministers.

Interested coal suppliers are requested to submit their proposals as per the indicated tentative laycan schedule published in our website www.lankacoal.lk for the supply of an estimated quantity of 2,250,000±10% MT of coal with the quality of 6150 kcal per kg as specified in the mentioned website on credit basis. Therefore, suppliers could submit their proposals on credit basis/deferred payment mechanism/or any other payment terms instead of requesting to provide either Sovereign and Treasury guaranties or any form of letter of credit. Sealed proposals must be delivered to the address given below or password protected proposals could be emailed to secretary@powermin.gov.lk on or before 16:00 hrs (Sri Lanka Standard Time) on 30th November 2022.

*Secretary
Ministry of Power and Energy,
No-80, Sir Ernest De Silva Mawatha
Colombo 07,
Sri Lanka*

Prior to submission of comprehensive proposals further details can be obtained by visiting our website www.lankacoal.lk of Lanka Coal Company (Pvt.) Ltd.”

Accordingly, your prompt action to inform prospective suppliers through your foreign mission network will be highly appreciated.

Thanking You.

Yours Faithfully
